

Executive Insight Report

Generated: December 03, 2025

Executive Summary

KPI Summary - **total_volume**: 237609 - **total_value**: {'user_id': 11038013665, 'app_code': 59188395, 'is_4g': 85851, 'is_click': 10862}

Key Findings

Performance Analysis ### Summary Statistics: - **user_id**: Mean=46454.52682768751, Median=46597.0, Std=26802.726666116265 - **app_code**: Mean=249.09997096069594, Median=213.0, Std=135.21360889979172 - **is_4g**: Mean=0.3613120715124427, Median=0.0, Std=0.48038175412328926 - **is_click**: Mean=0.04571375663379754, Median=0.0, Std=0.2088640531175953 ### Outliers Detected: - **user_id**: 0 outliers detected - **app_code**: 0 outliers detected - **is_4g**: 0 outliers detected - **is_click**: 10862 outliers detected

Recommendations

Recommendations 1. **Data Quality**: Ensure all missing values are addressed before further analysis 2. **Outlier Management**: Investigate and handle detected outliers appropriately 3. **Performance Optimization**: Focus on top-performing segments 4. **Monitoring**: Implement continuous monitoring of key metrics 5. **Documentation**: Maintain detailed records of all changes and decisions

Data Quality Report
